**CHANGES at Madison Chenango Call to Action**

After four long years of hard work and success in the presidential election, the Madison Chenango Call to Action steering committee is putting MCCTA and the biweekly *Call to Action* newsletter on hiatus.

**Our sincere and heartfelt thanks to all of you!**

You have worked tirelessly with us since we started in 2016 — calling, writing, demonstrating, and more for positive change.

**Together, we have made a difference!**

But there is still work to do, especially with Claudia Tenney's narrow win in the New York 22nd district.

**We propose putting our collective energy behind the other active and engaged groups in the area such as Cazenovia Call to Action, Chenango Change, Chenango Links, and Invisible Mohawk Valley.**

The [MCCTA website](#) and [Facebook group](#) will remain active to keep you up to date and connected with what is happening in our region

**MCCTA will be here and ready to act, if and when needed.**

For now, we send you our deep appreciation and gratitude, and urge you to keep up the good work with these local groups.
